

CIGA Training & Assessment

The course is for experienced operatives who wish to undertake commission, service, repair and breakdown of commercial indirect fired gas appliances.

Operatives must hold either the Core Commercial Gas Safety (COCN1) qualification or the Changeover Domestic to Commercial Gas Safety (CODNCO1) qualification and Installation First Fix Commercial Pipework (ICPN) for pipework in excess of 35mm diameter.

Completion of this qualification will enable individuals to show competency on the Gas Safe register.
