

ACS CCN1 Reassessment

This reassessment course is available for experienced gas operatives who have held ACS CCN1 or City & Guilds NVQ/QCF gas certificates and need to renew the certificates they hold. This programme allows operatives to renew core CCN1 and up to 5 appliances. These certificates need to be renewed every 5 years.
Note. Only special subjects that they hold can be replaced with CCN1.

Duration: 3 Days

Course Space: 8 Trainees
